## RSVP GOING GREEN!

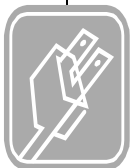

SAVING TREES AND SAVING YOUR TIME!

We are making every effort to cut some costs and save you some time by giving you instant access to RSVP news, forms, Volunteer Voice newsletters and TIME SHEETS on the Internet.

By utilizing the Moore County web page, RSVP is able to offer its volunteers easy access to registrations, updates and downloads too.

Just go to [www.moorecountync.gov](http://www.moorecountync.gov) and highlight **Departments**, then click on **Aging**, and on the left side of the page click on **RSVP**.

### STAYING CONNECTED

Every quarter you'll get your Volunteer Voice newsletter in the mail OR we will send it to your email address! Please let us know if you would like the convenience of getting your newsletter delivered to your desktop.

Staying connected is important to us so please let us know of any changes! Please report new phone, address, fax, or email information so we can update our records. Also, please notify us any changes in volunteer assignments, new additions or job closures so we can credit your hours! If you would like to join us in our going green efforts, please let us know you would like to receive your newsletter and other RSVP correspondence via your email address. Get on board at:
